Our office sent only one package. It may have been re-routed to the appropriate individual.

The package was just dropped off in my office in a envelope addressed to Vivian Howell, Property Manager III. I assume this is what you are referring to or did you send two packages.

Brian,

According to our records a complete ballot package for the renewal of

the Westchester Town Center Business Improvement District (2012-2021) was sent via internal City mail to Ken Cauglin, LAWA Accounting Division, MS 101 on Tuesday June 28, 2011. This is the contact name and information the City has on file regarding this particular LAWA property.

The package contained an official Notice of Public Hearing from the City Council (set for Tuesday, August 16, 2011), an official ballot and affidavit with four (4) LAWA parcels, ballot instructions, a management plan and engineer's report for the District's renewal and pre-addressed ballot return and secrecy envelopes.

The ballot package has not been returned to us as of this date

Does anybody have a sample of the documents that were sent to Ken Caughlin in Accounting? And on what date were they sent?

Ken Caughlin used to work in our Property Division, but he no longer works here at the airports?

Thanks Rick...

I wanted to make sure that the person (Ken Cauglin) the the WTC Renewal ballots were apparently sent to had received them. I contacted the executive offices at LAWA in order to obtain contact information for him, but he is apparently not listed in any of the LAWA personnel directories.

Mr. Sampson Mengistu, Deputy Executive Director (424-646-6251)

signed the WTC Petition to Establish the WTC BID." I contacted his office and spoke with his assistant, Mr. Brian Haig (BHaig@LAWA.org). Mr. Haig had not seen the WTC Ballot envelope, although his office (Mr. Mengistu) would apparently be the right person to sign them.

Rick, is it possible that you can get this sorted-out so that the LAWA Ballots can be counted? I'm happy to follow-up with your permission, but I know you might be sensitive to that suggestion. Obviously Mr. Mengistu's office can't request re-issuing of ballots they don't know anything about.

Let me know as I may assist further in any way. Thank you.
